The ASU Lodestar Center for Philanthropy and Nonprofit Innovation is currently offering sponsorship opportunities for participating in its 23rd Annual Forum on Nonprofit Effectiveness set to take place April 20th, 2022, at the YWCA Southern Arizona in Tucson, AZ.

By becoming a sponsor of this year's forum, your company/organization will have the opportunity to increase its visibility and exposure to thousands of nonprofit professionals. Your sponsorship will not only help you build and solidify vital relationships with regional nonprofit community leaders and executives, but also create an opportunity for these decision makers to learn about how your products/services can help advance their mission.

Attached you will find several sponsorship options that offer a generous amount of benefits and recognition. Sponsorships start at just $250 and increase in benefits from there. In addition to the many benefits you will receive, please know that your sponsorship dollars will directly help to increase the capacity and effectiveness of all attending nonprofit professionals and organizations by helping to make this event possible.
