

PhilanthropyMatters Programming | 2017 - 2019 Plan

revised 11.02.2016

Ultimate purpose of the initiative:

to change the world and create happiness through philanthropy

Intended impacts:

to inform and connect philanthropists, grantmakers, and community leaders—and to empower through shared knowledge and innovation

Intended methods:

to host convenings, forums, and other appropriate outlets for the sharing of research and exchange of information relative to philanthropy

Intended partners:

people to engage include individual philanthropists, institutional funders, family foundations, and other philanthropic organizations and thought leaders
