

Board Commitment Assessment

On a scale from 1-5, with 1 being “not confident” and 5 being “confident,” indicate your selection next to each statement or question.

_____ Board members regularly attend board meetings.

_____ Board members serve on board committees and task forces.

_____ Board members are actively engaged in committee work.

_____ Board members’ discussions at meetings encourage, include & tolerate a wide variety of opinions.

_____ Board members regularly ask questions about your program and your customers/clients.

_____ Board members are recognized in the community as trustees of your organization.

_____ Board members readily share with others their interest in your organization, its mission & what it does.

_____ Board members regularly make financial contributions to your organization.

_____ Board members attend and participate in your special events.

_____ Board members volunteer to help out when extraordinary needs arise.

_____ **Total**

- 40-50 points Congratulations -- Keep doing what you are doing!
- Fewer than 40 points -- There is room for improvement with the goal being to develop the highest level of emotional commitment (feeling connected to your cause) and identification (feeling connected to each other and staff) with your organization that you can achieve.
